## Worksheet

### Subject: - Science

Note: - Solve this worksheet on a test copy or you can take the print out of this worksheet.

- Answer the following questions in one word/one sentences.
  1. Where is water from undigested food absorbed in the body?
  2. Where is digested food absorbed in the body?
  3. Name the type of the teeth which are for chewing and grinding.
  4. Name the parts of Amoeba which help it in moving and capturing food.
  5. What is the function of guard cells of stomata?
  6. Which parts of the plant are called food factories of the plant?
- Fill in the blanks:
  1. The components essential for our body are called \_\_\_\_\_ .
  2. We obtain nutrients through \_\_\_\_\_ .
  3. Pancreas releases \_\_\_\_\_ in the small intestine.
  4. The semi-digested food called \_\_\_\_\_ .
  5. Wave- Like motion in muscles of the oesophagus is called \_\_\_\_\_ .
- State True or False: -
  1. Deficiency of Iron Causes Anemia. ( \_\_\_\_\_ )
  2. Vitamin D helps in clotting of blood ( \_\_\_\_\_ )
  3. Chlorophyll is a green pigment present in the chloroplast. ( \_\_\_\_\_ )
  4. Each silkworm sheds its skin four times during its growth phase called moulting. ( \_\_\_\_\_ )
  5. Angora wool is obtained by Angoro rabbit. ( \_\_\_\_\_ )

Draw a well labelled diagram of 'Human Digestive System'

### Subject: - General Knowledge

- Listen to the news daily and keep tab of the events happening in and out of the country. You will be asked questions in the class when you return to school after the break.
- Prepare a list of people holding different portfolios in the newly elected government.
- Investigate who is Capt. Nemo and Nautilus. How are they connected to each other. What things would you do differently if you were Capt. Nemo. [ Write on A4 sheets].
- Nurture an Indoor plant and click pictures to reflect weekly growth and paste them on an A4 sheet.

### Subject: - Computer

#### CREATE YOUR OWN POWERPOINT PRESENTATION:

- **Objective:** To develop your research and presentation skills by creating a PowerPoint presentation on a topic of your choice.

#### INSTRUCTIONS:

- **Choose a Topic:** Select a subject that interests you. It could be about your favourite hobby, an important historical event, a famous personality, or an environmental issue.
- **Research:** Gather information from books, reputable websites, and other reliable sources. Take notes on key points you want to include in your presentation.

### **PLAN YOUR SLIDES:**

- **Title Slide:** Include the title of your presentation, your name, and class.
- **Introduction Slide:** Briefly introduce your topic.
- **Content Slides:** Create at least 5 slides that cover different aspects of your topic. Use bullet points to list information.
- **Images and Graphics:** Add relevant images, charts, animations, transitions, sound effects or diagrams to make your slides more interesting.
- **Conclusion Slide:** Summarize the main points of your presentation.
- **'Thank You' Slide:** A slide to thank your audience for watching.
- **Design:** Use PowerPoint features to make your slides visually appealing. Choose a consistent theme, font style, and background.

### **SUBMISSION GUIDELINES:**

Save your PowerPoint presentation with the file name: -

- "Class7\_Section\_SummerProject\_YourName.pptx"
- Email the presentation at [vipin.med47@mjpru.ac.in](mailto:vipin.med47@mjpru.ac.in) or to your class teacher.
- Be prepared to present your work to the class when school reopens.
- **Date of Submission – 25th June 2024**

### **Subject- Drawing**

**Colourful-** Onion, Tomato, Mango

**Draw & Shade in the file-** Hen, Eat, Turtle

**Craft:** Birthday Card
