SCIENCE

General instructions that are to be followed-

- Handwriting should be neat and legible.
- All the holiday homework should be done in separate notebook.
- The holiday homework would be graded.
- The work should be original and not copied from internet.

Summer tips to be followed.

- "A healthy mind resides in a healthy body" -pay attention to your health
- Go for morning and evening walks
- Drink lots of water
- Avoid the consumption of junk food
- Eat healthy and stay healthy

Activity-01

Make compost in a bottle by following given instructions.

- First cut around the neck of the bottle to form a wider neck hole.
- Add a layer of garden soil to the bottom of your bottle around 2-centimetre 24 centimetre deep this introduces the bacteria needed to make black nutritious compost.
- Next add a layer of peeling any things (fruit and vegetable peels) from leftover.
- Add another layer of each to your bottle.
- Finally add another layer of soil and a layer of grass or leaves. You can repeat this layering pattern until your bottle is full.
- Now your bottle is ready. Tape the top of your bottle close to keep the moisture in.
- Now just place your pot in a warm sunny place let the magic begin.
- Approx 3 weeks you will see a big change in the contents of the bottle and your compost will be ready.

Click photographs while putting the waste to it.

Activity-02

Suppose on your birthday, your mother prepared many dishes for you. After having a meal, you found that many food items were left over. Your mother kept these leftovers in an airtight container and refrigerated them.

- What is food preservation?
- What will happen to the food if it is not refrigerated?
- What value of your mother is shown here?

Activity-03

Collect seeds of different types of crops (rabi, kharif) and segregate and put them in packets and display them well in notebook and describe their nutritional value too.

Activity-04

Prepare the pickling of mango, lemon, chili etc. Don't forget to spice things up with your favorite herbs and spices for a personalized touch. Happy pickling.

SOCIAL SCIENCE

1. Create a pictorial chronology of Chief Justice of India till date on a scrapbook
2. Find the number of constituencies in your state and the names of any 10 constituencies and newly elected MPs from each constituency.
3. Make a wall hanging or doll using waste products like empty bottles, old cloth and plastic covers etc.

GENERAL KNOWLEDGE

Activity based homework

- Keep the water on the rooftop and refill it on daily basis.
- Give something to eat to an animal daily.
- Play at least one outdoor game daily and write the result along with the date on a single page of your GK notebook.

Learning by doing homework

- Celebrate yoga day with your family and make a short video of it (It'll ask later).
- Water at least 10 trees and plants on world environment day and paste at least three photos while doing it on your notebook.
- Observe the election result and note down about any three political parties. Prepare a table as given below-

S.NO	Political Party's Name	No. of states it contests election	No. of seats it contests election	No. of seats it won.

SANSKRIT

1. अपनी पाठ्यपुस्तक में दी हुई वन्दना कंठस्थ करके सस्वर वाचन का अभ्यास करिये।
2. अपनी विषय पुस्तिका से प्रतिदिन—दो या तीन शब्दार्थ याद करिये।
3. अपनी पाठ्य पुस्तक से इतर कुछ अन्य सुभाषितानि श्लोको का संकलन कर अलंकारिक दंग से चार्ट पेपर पर लिखिए।

COMPUTER

CREATE YOUR OWN POWERPOINT PRESENTATION:

- **Objective:** To develop your research and presentation skills by creating a PowerPoint presentation on a topic of your choice.

INSTRUCTIONS:

- **Choose a Topic:** Select a subject that interests you. It could be about your favourite hobby, an important historical event, a famous personality, or an environmental issue.
- **Research:** Gather information from books, reputable websites, and other reliable sources. Take notes on key points you want to include in your presentation.

PLAN YOUR SLIDES:

- **Title Slide:** Include the title of your presentation, your name, and class.
- **Introduction Slide:** Briefly introduce your topic.
- **Content Slides:** Create at least 5 slides that cover different aspects of your topic. Use bullet points to list information.
- **Images and Graphics:** Add relevant images, charts, animations, transitions, sound effects or diagrams to make your slides more interesting.
- **Conclusion Slide:** Summarize the main points of your presentation.
- **'Thank You' Slide:** A slide to thank your audience for watching.
- **Design:** Use PowerPoint features to make your slides visually appealing. Choose a consistent theme, font style, and background.

SUBMISSION GUIDELINES:

Save your PowerPoint presentation with the file name: -

- "Class8_Section_SummerProject_YourName.pptx"
- Email the presentation at vipin.med47@mjpru.ac.in or to your class teacher.
- Be prepared to present your work to the class when school reopens.
- **Date of Submission – 25th June 2024**

Subject- Drawing

Colourful- Flower vase, Duke, Sunflower

Shade in the file- Bag, Pear, Kiwi

Craft- Birthday Card
